Year 3 - Snozzcumbers

Monday 19th February 2024

Dear parents/ carers,

I hope you all had a lovely half term break.

This week in **English** we will start reading a new story called The Secret of Black Rock. We will learn about comparatives, superlatives, time adverbials, conjunctions, similes and synonyms and start gathering skills for the next assessed piece of writing.

The spellings for this week are: **actually, certain, experience, history, notice, probably**. The spelling test will be on Friday and the children will bring home the results for you to see how they've done. Thank you for practicing the spellings with your child at home.

In Reciprocal Reading we will read a text about our class author Roald Dahl. We will learn some new and interesting words and answer a range of comprehension questions.

Thank you for reading at home with your child. **Please ensure that the reading journals are filled in and sent to school so we can check how much are the children reading at home.**

In maths we will start a new the topic about Fractions. The times tables test will be on Friday and the focus will be the **7 times tables**.

In science we will continue learning about fossils.

In history we will finish our topic about the Anglo-Saxons and learn about the mystery of Sutton Hoo.

In music we will keep learning songs for our Easter play.

Homework this week will be My Maths. It will be set on Thursday and needs to be completed by Monday. Please make sure your child completes their homework as it helps to secure their learning.

If you haven't already done so, please organise payment for our upcoming trip to Castleton which will take place on Monday 4th March.

Our trip to Bradford has been rescheduled and will take place on the 1st May.

The Easter play performances will take place on Tuesday 19th March at 9.30am and Wednesday 20th March at 9.30am. The Easter church service will be on Tuesday 19th March at 1.30pm.

Thank you for your support.

Mrs Cooper
