

## **RECEPTION CLASS NEWSLETTER-Monday 5<sup>th</sup> February 2024**

This week the children will be continuing their learning about the Arctic, using non-fiction books to find out more information and create animal fact files. They will also be comparing the landscape, weather and animals of Tankersley and area with those of the Arctic. The children will be deepening their understanding of the composition of number 7 and practising the pinching and poking techniques as they add and take away from their own sculptures. On Tuesday the children will be learning more about keeping safe on the internet and on Thursday afternoon the Reception children will be presenting all of their learning about Chinese New Year to their Nursery friends and sharing Chinese food with them. The afternoon will culminate in the Reception childrens' dragon dance! As usual, there will be daily RWInc sessions, 1:1 reading and lots of free-flow child-initiated learning in and outdoors.

### **Parent/Carer Drop in sessions**

This week, the drop in session will take place on Friday 9<sup>th</sup> February from 3.30pm. All are welcome! 😊
