

Our spellings at the moment.

Butterfly Lions

*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

19.2.24

Hello,

Did you see the pictures of our Science investigation into 'is yeast a living thing?' If not, here are a few.

In English, we will be using the text 'Macbeth' as a stimulus for our learning. This week, we will be learning how to apply our writing skills to a newspaper report and also learning how to identify tenses: simple past, simple present, past progressive, present progressive, past perfect and present perfect.

In Maths, we will be learning about Decimals.

Curriculum activities for this week include- Geography: Where is North America? RE: Humanism- What do many Humanists believe about making a difference? PSHE: British Values. Science: Evolution and Inheritance.

Our home learning this week is My Maths.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care.

Lorna Johnston
