

News

Newsletter Great Gorillas 5th February 2024

In English this week we will be continuing to look at sources of evidence in order to learn about the work of Florence Nightingale. We will also be writing a diary, pretending to be Florence Nightingale, describing the conditions of the Scutari hospital after she had made improvements.

In Maths we will be finishing our topic on money and beginning to look at making equal groups in our multiplication unit.

In Science, we will be investigating our sense of smell and taste.

In PE we will be continuing with attacking and defending games. We will also continue our work on circuits in the hall.

In Music we will be continuing our Florence Nightingale work.

In History we will be learning about the life of Mary Seacole.

In Art we will be learning painting our townscape ideas onto a large canvas.

In RE we will be discussing how we can be better at caring for God's creation.

Note

On Wednesday 6th February we will be having a special visitor into Class 2. We will be carrying out lots of fantastic drama work to gain a deeper understanding of the life of Florence Nightingale.

My Maths homework is set from 09.02.24 – 23.02.24. The homework is based on statistics and block charts.

The multiplication table for next week's test is the 2x table and the related division facts.

If you have any queries please don't hesitate to ask.

Many thanks

Mrs S Chadburn & Mrs N Turner
