

The Famous Fives

Newsletter

Week beginning: 27th November 2023

Here's what the Famous Fives are learning about over the next two weeks:

In **English**, we are starting a new topic on *The Tempest* by William Shakespeare. We will be acting out some of the scenes, getting to know the characters and learning how to read play scripts written in Shakespearean language. We will then be writing our own play scripts by changing the language into modern English.

In **Maths**, we will be continuing our work on fractions. We will be learning how to compare and order fractions and convert between improper fractions and mixed numbers.

In **P.E.**, we will be learning key skills related to invasion games and applying them to football.

In **R.E.**, we will be learning about Paul. We will be discussing how he became a Christian and the impact that he had in spreading Christianity across the world.

In **Geography**, we will be learning about the human and physical features of Spain. We will be learning how to use a 4 figure grid reference.

In **Science**, we will be investigating which materials are soluble or insoluble and will be learning how we separate different mixtures using evaporation, magnetism, filtering and boiling.

Notices

Our school Christmas fair is taking place on **Monday 4th December, from 3:30-4:30**. Donations for the tombola would be much appreciated - Y5 have been asked to bring in items with **black** packaging if possible.

The Famous Fives have been invited to take part in a performance at **Tankersley Hub with Barnsley Brass (see poster below)**. It will be on **Saturday 16th December** and it would be great if some members of Year 5 are able to take part. They will need to be accompanied and supervised by an adult.

If you have any queries, please don't hesitate to get in touch with us.

Many thanks,

Mr A. Townsend & Miss C. Bennison
