

The Famous Fives

Newsletter

Week beginning: 15th January 2024

Here's what the Famous Fives are learning about over the next two weeks:

In **English**, we are starting a new topic looking at the Shakespeare story *A Midsummer Night's Dream*. We will be getting to know the main characters and learning about the predicament that some of them are in. We will also be learning about adverbs of possibility and how to use the perfect form of the verb.

In **Maths**, we will be working on multiplication and division. We will be learning how to do long multiplication and will be recapping the bus stop method for division.

In **P.E.**, we will be finishing hockey and moving on to look at fitness and circuit training. As part of this, we will be carrying out a 'bleep test'.

In **PSHE**, we will be learning how to be responsible and look out for others.

In **Science**, we will be learning about forces, gravity and air resistance.

In **History**, we will be starting a new topic looking at mining. We will be learning about some of the dangers of coal mining and what life was like for children who worked down the mine.

In **Art**, we will be using charcoal to create lines, depth and tone.

Notices

A reminder that The Famous Fives will be performing with Grimethorpe Colliery Band at Barnsley Civic on Thursday. All children will need to bring a **packed lunch, their brass instrument and £2 for the bus**. Tickets for the 1:30pm performance are available using the link previously e-mailed out.

If you have any queries, please don't hesitate to get in touch with us.

Many thanks,

Mr A. Townsend & Miss C. Bennison
