

The Famous Fives

Newsletter

Week beginning: 18th March 2024

Here's what the Famous Fives are learning about this week:

In **English**, we are continuing our work on *The Lion, the Witch and the Wardrobe*. We are looking at how to use inverted commas correctly and use a wide range of punctuation within speech. We are also learning how to alter the position of our reporting clauses in a sentence and use a variety of verbs and adverbs.

In **Maths**, we will be learning about how to find the perimeter and area of a variety of 2D shapes.

In **P.E.**, we will be continuing our work in gymnastics and dance.

In **Science**, we will be learning about how planets move.

In **Geography**, we will be continuing to learn about the effects of Climate Change and will be considering how we can reduce our carbon footprint.

Notices

A reminder that our trip to the **National Coal Mining Museum** will take place on **Wednesday**. Children do not need to come to school early as we won't be setting off until 9:15. However, we may be back at school slightly late, depending on traffic. If we are going to arrive much later than 3:30, we will send out an e-mail/text to parents. Children do not need to wear uniform, but need to wear comfortable clothing and footwear that they don't mind getting a bit muddy in.

On Friday, as part of our English topic, we will be watching *The Lion, the Witch and the Wardrobe* which is rated PG. If you do not wish your child to watch this film then please let us know.

If you have any other queries, please don't hesitate to speak with us. May we take this opportunity to wish you all a very happy Easter!

Many thanks,

Mr A. Townsend & Miss C. Bennison
