Year 3 - Snozzcumbers

Monday 11th March 2024

Dear parents/ carers,

I hope you all had a lovely weekend.

This week we will continue with our termly assessments. We will also write our story about the Secret of the Black Rock into our special writing assessment books and use our best handwriting.

The spellings for this week are: **antisocial, anticlockwise, antibiotic, antifreeze, antiseptic, anticlimax** and the spelling test will be on Friday as usual.

Please continue reading at home with your child, sign their reading journal and remember to **send it to school on Monday**.

In maths we will start a new topic about Mass and Capacity. The times tables test will be on Friday and the focus will remain the **12 times tables**.

In geography we will learn about Settlements.

In RE we will continue learning about the Easter Story.

In science we will learn about different types of soils.

Homework this week will be a reading comprehension. It will be set on Thursday and needs to be completed by Monday.

This week is a special walk to school week. We are trying to make the world a better place by caring about our planet and would like to encourage the pupils to walk, scoot, cycle or park and stride to school if possible. Thank you for your support with this matter.

On Thursday we will visit the library in Hoyland and a separate letter has been sent to you about this last week. The children will need to bring in £2 for the bus.

Our next trip to Bradford will take place on Wednesday 1st 2024 and a separate letter has been sent to you. Please arrange the payment online. Thank you.

We are performing our Easter plays next Tuesday at 9.30am and Wednesday at 9.30am. The Easter Church service will be on next Tuesday at 1.30pm at Tankersley Church. We look forward to seeing you at these events.

Thank you for your support.

Mrs Cooper
