

RECEPTION CLASS NEWSLETTER-Monday 18th March 2024

This week the children will be exploring the composition of 9, using the vocabulary: part/s and whole as they learn that 9 objects can be split into 9,8,7,6,5,4,3 and 2 parts. They will represent their learning in different ways and explain their thinking. The children will also be relating the part/s and whole vocabulary to shapes. The Shining Stars will be going on a mini-beast hunt and learning lots of facts about different mini-beasts. They will also be making observation sketches and creating a class non-fiction mini beast book. The children will also be continuing to observe the changes to their class caterpillars, as they learn about the butterfly lifecycle. The Shining Stars will be taking part in mini beast arts and crafts. They will also be designing and creating DT lights for Jack's class beanstalk. Outdoors, there will be vegetable seed planting. As usual, there will be lots of child-initiated learning both in and outdoors.

LET'S GET MOVING Physical Development Parent/Carer workshop-Thursday 21st March 2024 AT 2.40PM

Please enter school via the school office. Thank you.

****Please hand in wow moments or home learning photographs to any member of the EYFS team. Thank you. We really value your contribution to your child's learning journal.****

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website****

Thank you for your continued support. May I take this opportunity on behalf of the EYFS team and myself, to wish you a peaceful and relaxing Easter break!

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
