

Great Gorillas Newsletter

W/c 4th March 2024

In English we will be studying the traditional tale of 'The Three Little Pigs'. We will be writing setting and character descriptions. We will be learning that every story has two sides and we will be listening to the Wolf's version of the events.

In Maths we will be exploring our 5x table, 10x table and related division facts. We will be using lots of different representations to help deepen our understanding.

In P.E we will be continuing with our work in dance. Our sequences will be based around seeds and growing plants.

In music we will be practising songs for the Easter Service.

In RE we will be discussing the events of Holy Week.

In History we will be learning about what the lives of people who lived in London in 1666 were like.

In Science we will be finding out why certain materials are used for a specific purpose. We will be exploring the school grounds to find the different uses of materials.

Note

The times table test will be based around the 2x table and related division facts. We have spent lots of time in class exploring different representations of the 2x table.

On Thursday 7th March it is World Book Day. We will be holding a Book Fayre in the school hall. Children will have the opportunity during the school day to visit the fayre and purchase a book. We have lots of fantastic books available all priced between £2 & £3.

If you have any queries, please don't hesitate to contact us.

Many thanks

Mrs S. Chadburn & Mrs N. Turner
