

BILLIONAIRE NEWS

7th March 2024

Hello parents and carers,

We've had an exciting couple of weeks recently, with baking competitions, bike bling events and book sales.

Rather than dressing up for World Book Day, this year our school decided to celebrate World Book Week by reading a whole-school text every day: 'In Our Hands' by Lucy Farfort. The children are really enjoying using their inference and prediction skills to explore the themes presented in this text. We used watercolours to paint the main character - I have attached pictures to this newsletter. 😊

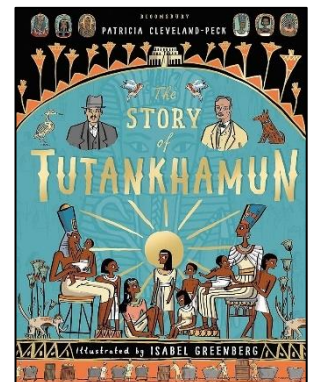

Here are some upcoming events for Y4:

- **Easter performances** - Tuesday 19th March & Wednesday 20th March (9:30am).
- **Easter church service** - Tuesday 19th March at 1:30pm.
- **Parents Evening** - Monday 11th March and Tuesday 12th March,

What have we been learning this week?

- **Maths** - We are well into our Fractions unit and have been converting mixed numbers and improper fractions, finding equivalent fractions and finding fractions of an amount.
- **English** - We are reading The Story of Tutankhamun by Patricia Cleveland-Peck. This text gives us the opportunity to write diary entries, telegrams and non-chronological reports. At the end of this unit, we will be writing biographies of Howard Carter, the legendary archaeologist.
- **R.E.** - Who was Joseph and how did God lead him to Egypt? Who was Moses and why did he have to trust in God? What were the 10 plagues of Egypt?
- **P.E.** - Swimming!
- **Computing** - Animation - Onion skinning and Stop-Motion - case study: Wallace and Gromit
- **Science** - What is a living thing? How do we classify vertebrates?
- **Geography** - What are the key rivers of the UK? What are the longest rivers in the world?

Homework

This week's homework is **Reading** (Mother's Day) and is due on **Monday 11th March**.
Next week, homework will be a 20-minute session of TT Rock Stars.
