

## RECEPTION CLASS NEWSLETTER-Monday 8th April 2024

### THIS HALF TERM'S ENQUIRY QUESTION-How are places different?

This week the children will be drawing and writing about their Easter holiday, applying their oral sentence, phonics and tricky word knowledge. They will also be brainstorming their new enquiry question: 'How are places different?' The children will be starting their learning about 'Our Locality', knowing that their school is in the village of Tankersley, whilst collecting new vocabulary and displaying words on Victor's Vocabulary Board. In maths, the children will be building teen numbers and learning about place value in relation to numerals 11-20. As usual, there will be lots of child-initiated learning in and outdoors.
