Hello and welcome back to term 3,
Before the Easter break, we completed our 'Love to Read' book reviews for Macbeth. It certainly was a favourite story for the entire class. Here are a few for you to enjoy.

In English, we will be designing our own business and using our composition skills to persuade people to visit; we will be drafting and editing our writing.

In Maths, we will be completing our learning about Area, Perimeter and Volume.

Curriculum activities for this week include- Geography: What are the human features of the USA? RE: How does Humanism compare with Christianity, Islam, Judaism and Hinduism? Science: Animals including Humans. PSHE: Alcohol.

Our home learning this week is Reading and comprehension.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Take care.
