

# The Smartest Giants in Tankersley

8<sup>th</sup> April 2024

Dear Parents/Carers,

Welcome Back! We hope you have all had a lovely Easter break. This half term our new topic is growing.

This week in English, the children will be introduced to the text Christopher Nibble by Charlotte Middleton. The children will be reading the text and discussing the character of Christopher Nibble. We will also be looking at the features of instructions so that we can write our own. The children will understand what a command is when writing instructions and learn their new spellings.

In Maths, the children will be looking at numbers up to 50. They will recognise the tens and ones within a number and position them on a number line.

In science, we will begin to learn about the different animal groups. This week we will look at mammals and what makes them special. In ICT, we will continue our learning of spreadsheets and learn how to add and move images. In PHSE, we will be looking at the feeling of jealousy

## Homework

Just a reminder that homework is given out on a Thursday and is to be returned on Monday. Please also ensure that you read with your child each day, new reading books are given out on Friday and must be brought to school each day. We collect all reading books in on a Wednesday.

If you have any concerns please come and see us and we will be happy to help.

Mrs Beevor and Miss Bennison
