

Great Gorillas Newsletter

W/c 29th April 2024

This week we will be continuing our Goldilocks Project. This week we will be comparing Lauren Child's version of the traditional tale with another version called 'Me and You' written by Anthony Browne.

In our maths lessons we will start a new topic about fractions. We will start by learning how to recognise equal and unequal parts. We will then move on to finding a half.

We will be learning about how colour is used in paintings.

In P.E we will be continuing our work in gymnastics.

Can you remember any of London's significant landmarks? In our Geography lesson we will be locating points, north, south east and west.

In RE we will continue to learn about the Jewish place of worship and make models of artefacts that you will find in a synagogue. We'll be getting creative, using playdough!

In our science lessons we will group animals and look at the similarities and differences between adults and their offspring.

In Music we will be continuing our Fire of London songs.

Note

If you have any queries, please don't hesitate to contact us.

Many thanks

Mrs S. Chadburn & Mrs N.Turner

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalm 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
