Year 3 - Snozzcubers

Monday 20th May 2024

Dear parents/ carers,

I hope you had a lovely weekend.

This week in **English** we will focus on revising some grammar including the present perfect tense, possessive pronouns, subordinating conjunctions and complex sentences.

The spellings for this week are: **material, position, business, earth, possess, calendar**. The spelling test will be on Friday as usual. The children are doing really well with their spellings so please keep practicing at home.

In Reciprocal Reading we will read the Ancient Greek myth about King Midas. We will learn some new and interesting words and answer a range of comprehension questions linked to the Canine Pals.

In maths we will finish our topic about telling time and more time revising some of the more difficult concepts e.g. converting analogue time to digital. Please keep practicing at home too.

The times tables test will be on Friday and we are now revising all our times tables. The children have set themselves their individual targets and it is important to continue working on these and keep getting better each week. Well done to all the children who have already achieved the Bronze badge.

In science we will continue with our topic about Plants.

In history we will revise what we have learnt about the Ancient Greeks.

PE days are Wednesday and Thursday. Please remember to bring a PE kit on these days.

Homework this week will be a reading comprehension. It will be set on Thursday and needs to be completed by the following Monday.

On Wednesday 22nd May we will present a short performance about Ancient Greece to the rest of the school. Parents and carers of Y3 children are invited to come and watch the performance which will start at 2.45pm. The children need to bring their Ancient Greek costume to school on this day or they can borrow one from school.

On Thursday 23rd May we are having a special TT Rockstars day and the children need to come to school dressed up as a rockstar or wear something bright.

Our last school trip will take place on Tuesday 23rd July and we will visit the science adventure centre Magna. Please make sure you organise payment before to due date.

Thank you for your support.

Mrs Cooper
