

**Nursery
Newsletter
w/c 10th June 2024**

This half term we will be learning about the season of summer, journeys, different transport, holiday destinations and Space! Our enquiry question is 'How and why do people travel?'

It is INSET day on Monday.

This week we will be thinking about 'Father's Day' and the special things that Daddy and Grandad may do for us. In celebration of this event we will be making a special card to give to a loved one on 16th June.

We have received numerous complaints from FS1 and FS2 parents regarding inconsiderate parking on New Road, particularly parking on double yellow lines. This causes a major traffic problem when traffic is parked on both sides of the road and would ultimately stop any emergency services getting through. Please help us to avoid an accident by parking respectfully and safely.

Many thanks,

Mrs. Terrell
