Our school vision prayer;

Guide me in your truth and teach me, for you are God, my Saviour and my hope is in you all day long.

Dear Families

We had a brilliant TT rockstars day yesterday, everyone looked amazing, and I want to thank you for all your support. We wanted to promote the TT rockstars platform and highlight the importance of knowing your times tables. If children know their multiplication facts, it reduces the mental load when coming to their SATS and solving numeracy problems. Almost 75% of the 3 SATS papers for maths have some element of times tables in them. Your child will be more successful in the rest of their school career if these number facts are known.

We had a multiplication battle in the hall yesterday, Mr. T managed to answer 100 questions correctly with an average speed of 2:07 seconds per question. Unfortunately, Mr. T was beaten by Y3, Y4, Y5 and Y6. He was just too slow 😊

We want to know the demand for our after-school clubs, the days people need it, the times that people need it and wondered if you could fill out this form so that we can look at our provision for September and the cost feasibility.

I would like to wish you a brilliant half term – enjoy the next two weeks! It is scary to think that we only have 7 weeks left of this school calendar – time is flying.
