Our school vision prayer;

Guide me in your truth and teach me, for you are God, my Saviour and my hope is in you all day long.

Dear Families

All schools in the UK have recently been sent information from the National Crime Agency, raising awareness of the recent rise in reporting of financially motivated sexual extortion (a type of online blackmail often known in the media as sextortion). Children and young people are being targeted worldwide. This type of crime involves an adult offender (often from an organised crime group based overseas) threatening to release nude or semi-nude images and/or video of a child or young person, unless they pay money, or meet another financial demand such as purchasing a pre-paid gift card. We are seeing a lot more children being online and talking to “new friends”, I would urge you to have an open conversation with your child about what they are playing online, and who they are speaking to. We have asked Compass Be to come in recently and they have done workshops on what it looks like to be a good friend online. If you have any worries, please do get in touch.

We had an amazing trip to Bradford this week. The children learned so much from this valuable experience. I had never been in a synagogue before, so I too have come back with additional knowledge. The children were brilliant ambassadors of the school and I would like to personally mention Tommy and Ethan. They were polite, had so much knowledge and impressed everyone that they met.

I would also like to congratulate all the children who are achieving their multiplication badges. I am very proud of you all. Knowing your times tables is such an important skill to have.

Also, I have sent all the registers from the 1800-1990 to the Tankersley hub, who are having a history day on Monday. Along with all the registers, I have sent the corporal punishment book (from the early 1900s) and the Head Teacher logs - I wonder if anyone will find themselves (in the register – not the other book!) – if you do, please do let me know 😊

I hope you have a lovely weekend (enjoy Monday) and I will see you all back on Tuesday – this term is definitely flying. 😊
