

The Smartest Giants in Tankersley

10th June 2024

Dear Parents/Carers,

We hope you have all had a lovely break. Our topic this half term is 'Going Wild' which is all about animals.

This week the phonics screening check will be carried out to check your child's ability to decode words using their phonic knowledge. The check is a statutory requirement for all children in Year 1. Mrs Beevor will be completing the check with the children.

Please see the link below if you would like further information about this:

<https://www.gov.uk/government/publications/phonics-screening-check-information-for-parents/phonics-screening-check-2023-information-for-parents-text-only-version>

This week in English, the children will be introduced to a lovely text called The Sea Saw by Tom Percival.

In Maths, we will be doubling numbers and making equal groups by sharing and grouping. We will then move onto fractions and learn about halves and quarters.

In our creative curriculum, we will be looking at different parts of a flower and completing our diary about our beans growing. In ICT we will be learning about coding. In RE we will be learning about Islam.

Hopefully the weather will start to be much warmer over the next few weeks. If children could come to school with sun cream already on it would be really helpful. Some children are applying it at playtime and by the time they have put it on it is the end of playtime.

If you have any concerns please come and see us and we will be happy to help.

Mrs Beevor and Miss Bennison
