Our school vision prayer;

Guide me in your truth and teach me, for you are God, my Saviour and my hope is in you all day long.

Dear Families

I hope that you have had a lovely half-term break. I went to Croatia with Mr. Harrison, and the house was still standing when I returned (the teenagers were fairly well behaved!)

While we were away, we had the flooring changed underneath our jungle gym, so that the children can use it regularly. Our field is so boggy that we are only able to use it for a few short weeks in the summer term. The children have asked me for 2 years if they could use the jungle gym, so after lots of saving, we have finally been able to make that happen. My next project is going to be to get some blackout blinds for the hall, as we boil in the summer when we all get together!

We have also been updating our Shalom Garden as the signage was starting to look a little tired. Hopefully, this is going to be made into a provision where children can sit and chat with their friends at lunchtime.

I sent the after-school provision form before the summer, but I have only had 13 people respond. Would you be able to complete this for me? It just gives me an idea of what people would like in an ideal world.

We are having a walk to school in the morning on the 19th of June. We will meet at 8:30 on the road outside of Glebe court and walk up to school together, to try and encourage more of our community to walk to school. I hope that you can join us.

We welcomed Rev Chris to our school last term, he came in and did a whole school worship, the children loved it and he is going to be conducting whole school worship in the school fortnightly.

It has come to my attention that a member of the public has been hurt on our pavements. A car's wing mirror hit her, this was obviously a horrible experience, and I am urging everyone to park carefully on the road outside of nursery and FS2. The council has agreed to extend the yellow lines, but I have no timeframe for this.

Glebe Court are collecting milk bottle tops to raise money for Cancer Research. We have agreed to support this, and therefore ask that you send in your milk bottle tops with your child.

Can we ask that you only sent your child to school with water ion their water bottles not juice.

ATTENDANCE

The national attendance figure is 97%.

Weekly attendance figure	Sessions lost this week	Authorised absences	Unauthorised Absences
