

Nursery Newsletter 8th July 2024

This week in Nursery our theme is "Finding Our Way". We will be looking at Percy the Park Keeper's maze in 'The Secret Path' by Nick Butterworth. In 'Dinosaur's Day Out' by Nick Sharratt Daisy and Dexter go on a car journey to visit their friend Delilah and use a map to help them find their way. Can we make our own maps?

We will also be beginning to think about our summer holidays. Please can you talk to your Hungry Caterpillar about where you will be going. We will be looking at holiday destinations on maps and globes.

'Nursery's Got Talent' is back! Please practice your act this week ready for the big event on Wednesday. It could be a song, a nursery rhyme, a dance, a joke etc.

Sing-Along

The Hungry Caterpillars would like to invite you to watch our end of year 'Sing-along'. It will be performed 3 times, on Monday 15th July at 3pm, Wednesday 17th July at 3pm and Friday 19th July at 3pm. Please could parents of the Nursery leavers come and watch the performance on a day their child normally attends Nursery. Family and friends are invited to come and watch us sing some favourite songs and say goodbye to the children who are moving to our Reception class.

We will miss our leavers very much and wish them well as they take their next big step to school.

Many thanks,

Mrs. Terrell
