

The Smartest Giants in Tankersley

1st July 2024

Dear Parents/Carers,

This week in English, the children will be writing their own recount about the trip to the farm.

In Maths, we will be recognising halves and quarters of shapes and finding a half and a quarter of a small quantity.

In science the children will be grouping animals by what they eat. They will be learning about herbivores, carnivores and omnivores. In computing the children will be creating their own algorithms. In RE the children will be learning about Ramadan and Eid-ul-Fitr. They will also compare a church and a mosque.

Notes

On Wednesday morning it is sports day. Your child will need to come to school in their PE kit and have a water bottle.

On Thursday afternoon the children will visit Hoyland library. The cost of the visit is £2 for their bus fare. Please could this be brought into school before Thursday.

If you have any concerns please come and see us and we will be happy to help.

Mrs Beevor and Miss Bennison
