Our school vision prayer;

Guide me in your truth and teach me, for you are
God, my Saviour and my hope is in you all day
long.

Dear Families

We have had reports from another school in the local area, that a man has followed some children home. The police are involved and are doing extra patrols in the area, but I would like parents to be vigilant and check in with their children who walk home alone or see if it is feasible for the children to walk in pairs or groups.

URGENT APPEAL - We are having a tombola stall for the Hub's Summer Fun Day. This is a brilliant event that is being run for the community and we are going to be there! **WE need urgent donations of confectionery and toiletries for prizes. Please send them to our office.** As you know, we do like to give our children as much as we can, but with limited budgets this is getting harder and harder, especially with coach prices. We really appreciate any help we can get.

The next appeal; Next Thursday we are having a green day for FS2 – Y5 (Y6 cannot take part as they are still involved with bikeability). We are going to be teaching the children about recycling, exercise, sustainability and much more. The children will be moving classrooms every 45 minutes to visit another teacher and have more learning! Some of our global guardians attended a climate conference this academic year, and it was their idea to have this day. **Please could every child who is in FS2- Y5 bring 3 items of clean recycling rubbish (crisp packet, sweet wrappers, cardboard) to school as Mrs. Hartley is going to be making art with our clean rubbish!!**

Mrs. Bennison has also asked for donations of empty (clean) drink cans and tins for her activity, where the children will be sorting rubbish!

Ramp it up, who have been into school several times this year, have asked me to advertise their summer events. This is a brilliant event for children to attend and I have included all the details below.
