

EARLY YEARS PARENT/CARERS PHONICS WORKSHOP

Thursday 19th September 2024- 3.40pm (held in Nursery)

Nursery and Reception staff will be holding a Parent / Carer Phonics workshop. We would like to share our Read write Inc approach to teaching sounds and other important reading skills with you.

Come along and accompany your child in a range of informal activities which will give you lots of tips on how to help at home. We feel that it is important to gain consistency in our home and school approaches, in order to give the best start to all of our children.

Thank you for your continued support.

Mrs Hartley, Mrs Terrell and the FS team.
