

RECEPTION CLASS NEWSLETTER-Monday 7th October 2024

This week the Shining Stars will be matching numerals to quantity and quantity to numerals. They will be comparing quantities and learning about the 1 more/1 less than relationship between consecutive numbers. The children will also be exploring 2 part repeating patterns; continuing them and creating their own. The children will also be busy finishing off writing their invitations for their EYFS paper plane competition, inspired by the Oliver Jeffers story: 'The Great Paper Caper.' The children will also be learning Autumn poems as part of the 'Poetry Basket' and creating their own Helicopter stories which they will direct and act out with friends. As usual there will be lots of self-initiated learning both in and outdoors.

Reading

Please make sure that your child's reading book and white home/school journal is in their book bag each day, in school. We will be hearing the children read at different times across the week. Thank you.

Toothbrushing home learning challenge

Please encourage your child to take part in the morning and evening tooth brushing challenge as well as tick/colour their sheet each time they have brushed. The sheet will be inside your child's red book bag. Once completed, please send the sheet back to school. Thank you.

Parent/carer drop in session-Friday 11th October 2024 at 3.40pm in Reception class

Reception class blog and tweets on X

If you would like to see a range of blogs linked to the Shining Stars' learning, please google our school website, click on 'Class Blogs' and then click on 'Reception.' We also have many posts on X. I am sure that your child would love to talk about this learning with family members and friends.

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
