*Guide me in your truth and teach me,
for you are God my Saviour and my hope is in you all day long.*

22.9.25

Hello,

As you can imagine, Y6 have had a fabulous time reading *Romeo and Juliet*. They enjoyed creating masks to attend the Capulet ball last week. Unfortunately, we didn't get to meet Romeo or Juliet so we watched the CCTV to see *everything* that happened.

In English we have been learning how to use a relative clause as well as a pair of dashes to add extra information into our writing. We have continued to read the book '*Romeo and Juliet*' as a stimulus for our learning.

Main activities for English this week are- To be able to use a dash to separate two main clauses and include exciting vocabulary to add depth to our writing.

In Maths our theme is factors and prime numbers. Our Maths Meetings for this half term will focus on fluency of numbers and place value.

Curriculum activities for this week include- RE-How did God use Moses to bring about freedom and justice- the 10 commandments? History/Art- Romans: How did the Romans conquer Britain? Science- Light: An experiment to show how light travels.

We are busy practicing our song for harvest festival which will take place on the 30th September at Tankersley church if you'd like to come along.

Homework this week is a comprehension text - please can it be handed in to mark by Wednesday.

Please can reading diaries be filled in after each read and be brought into school on Friday for reading for pleasure.

Don't forget to see what we are up to by following us on Twitter/X and our school website.

Thankyou,

Mrs Allen
