

Nursery Newsletter

15th September 2025

This week we are exploring our sense of touch. If you have any 'touch and feel' books at home please bring them into nursery so that we can all share the experience together. We will use words such as rough, bumpy, smooth, hard, soft, etc.

Perhaps you could go for a walk outside and use fingers to feel different textures such as grass, bricks, floors, walls, tree trunks etc.

The title of one of our nursery display boards is 'Look What I Can Do.' It celebrates achievements and what we can do outside nursery. (e.g. ride a bike, ballet dance, help bake a cake, swim, play football, bounce high on a trampoline etc.) Please could you bring in a photo for our display. Only one photo has been brought in so far and we need some more for our display board!

We are also going to create a 'time line' as we learn about how things change as time passes. Please could you bring in a baby photograph of your Hungry Caterpillar.

There is a 'Potty Party' toileting workshop on Tuesday 30th September at 2.45pm in school. Please come to the school office. A 0-19 years Child Development Practitioner will have advice, strategies and help to offer about your child's toilet training needs. Refreshments are available and younger siblings are also welcome!

Thank you for your weekly 50p donations to our nursery piggy bank. Your kind donations help to buy playdough ingredients, resources for funky fingers activities, new topic books, dressing up costumes etc.

Many thanks,

Mrs. Terrell
