

RECEPTION CLASS NEWSLETTER-Monday 6th October 2025

This week the Shining Stars will be matching numerals to quantity and quantity to numerals. They will also be continuing to compare quantities using the vocabulary more/less/fewer/same and learning about the 1 more/1 less than relationship between consecutive numbers. The children will be exploring 2 part repeating patterns; continuing them and creating their own. The children will also be busy finishing off writing their invitations for their EYFS paper plane competition, inspired by the Oliver Jeffers story: 'The Great Paper Caper.' Both Nursery and Reception children will be taking part in the competition on Tuesday morning. The children will also be learning Autumn poems as part of the 'Poetry Basket.' As usual there will be lots of self-initiated learning both in and outdoors.

RWInc bags

Please make sure that your child's letter sounds pack and white home/school journal is in their RWInc bag each day, in school. We will be working on the sounds with the children at different times across the week. Thank you.

Parent Evenings this week: Tuesday and Thursday after school.

Reception class blog and tweets on X

If you would like to see a range of blogs linked to the Shining Stars' learning, please google our school website, click on 'Class Blogs' and then click on 'Reception.' We also have many posts on X. I am sure that your child would love to talk about this learning with family members and friends.

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
