Year 3 - Snozzcumbers

Monday 3rd November 2025

Dear parents/ carers,

I hope you had a lovely half term break.

In English we will start working with a new text called First Drawing by Mordicai Gerstein which also links to our topic about the Stone Age. We will work on developing our vocabulary, make predictions and learn about different word classes.

In spelling we will continue following the Read Write Inc spelling scheme and look at a new spelling rule. The spellings for this week are: **adventure, future, mixture, creature, nature, temperature.** The spelling test will be on Friday and the children will bring home the results for you to see how they've done.

In Reciprocal Reading we will read an information text. We will learn some new and interesting words and answer a range of comprehension questions.

Please remember to read at home with your child and write into their reading journal. These are checked every Monday during our reading for pleasure session.

In maths we will continue with the Addition and Subtraction unit. The focus for the times tables this week remains the 3 and 4 times table. Please continue practicing on TT Rockstars.

In science we will learn about different types of skeletons.

In RE we will start our new topic about Hinduism.

In history we will learn about the Bronze Age.

In music we will learn about reggae and Bob Marley.

PE days are Wednesday and Friday. The children need to come in their PE kit on these days.

Homework this week will be a reading comprehension. It will be set on Thursday and needs to be completed by the following Monday.

The order forms for individual photos will be sent home today. Please order before Friday 14th November.

On Monday 10th November we are wearing odd socks for antibullying week but otherwise we are in full uniform.

Friday 14th November is Children in Need day and we will be having a non-uniform day. The children can come in wearing spots or something bright.

Thank you for your support.

Mrs Cooper
