

Famous Five Newsletter

W/c 3rd November 2025 2024

What a busy week we have had! In maths this week, we have been focusing on fractions and we will continue to work on finding equivalent fractions. We have been using fraction walls and concrete resources to embed our learning.

In English lessons we are reading our class story 'The Wolves in the Walls'. We are continuing to use a range of skills such as adverbials for time and place to link our paragraphs together as well as apostrophes for possession to show ownership. The children are enjoying their writing and are always trying to upscale their vocabulary where possible.

In Geography this week, we have started a new topic looking at longitude and latitude. The children have also started learning about who Saint Paul was and different aspects of Christianity.

Things to note

Monday 10th November is odd sock day in school.

On Friday 14th November, the Y5 children will be taking part in a sporting event at Kirk Balk. Any child without bus pass will need to bring £2 for the bus journey.

Homework this week is a reading comprehension task. We also ask that your child reads 3 times per week and you record this in your reading diaries. We check reading diaries every Friday so please ensure that they are in school. We also ask that you go on TTRS as frequently as possible to improve your scores. Our spelling test takes place on a Thursday and the week's spellings can also be found on the homework folder.

If you have any queries, please do not hesitate to contact me.

Many thanks

Mrs Allen

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalm 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
