

BILLIONAIRE NEWS

6th November 2025

Hello parents and carers!

We have a **science experiment** coming up next week all about the digestive system. To ensure we have enough resources so that each child has a 'hands-on' experience, please consider sending your child with any of the following items on **THURSDAY 13th NOVEMBER**:

- old tights/stockings (not ripped or torn as these will be our intestines!)
- green or yellow food colouring (bile and enzymes)
- sealable sandwich bag (stomach)
- pure orange juice (stomach acid)
- potato masher (molars) - this will be returned to you
- bread, bananas, or Weetabix

Thank you all for your **blue** tombola donations so far. Any additional donations would be very much appreciated. 😊 The Christmas Fayre takes place after school on Thursday 20th November.

What have we been learning this week?

- **Maths** - Area
- **English** - We have been researching different crew roles on board the Mary Rose. The children worked on their oracy and listening skills as they presented their findings to the class.
- **R.E.** - What is the Gospel? What is a parable?
- **P.E.** - Invasion Games
- **PSHE** - Growing and Changing - Healthy and Unhealthy Relationships
- **Geography** - What is the difference between weather and climate?
- **Computing** - Animation

Homework and RWI spellings

This week's homework is on **MyMaths** and is due on **Monday 10th November**. Children have the opportunity to complete online homework in school every Friday.
