

Dear Parents and Carers,

What have we been learning this week?

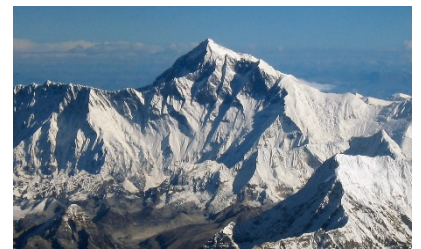

Maths – Converting metric measures and an introduction to **ratio**, including converting **miles to kilometres**.

Writing – We are writing based on **Escape from Pompeii**, focusing on description, atmosphere and building tension.

Reading – We have been reading non-fiction texts about **Volcanoes**, building our retrieval and explanation skills.

Geography – Mountains, Volcanoes and Earthquakes. This week, we have been learning about **mountain ranges and mountain features**.

R.E. – Kingdom of God: How did Jesus show leadership?

P.E. – Invasion Games

Homework and RWI Spellings

On alternate weeks, homework will be set on **MyMaths** or **TT Rock Stars**. Children may sometimes have a chance to start homework in school on Fridays.

Reading diaries should be in school every day so staff can make notes about reading. Diaries are checked weekly to ensure children are reading at home **at least three times per week**. To receive a reading token, diaries must be **signed by an adult**.

Diaries also contain login information for **MyMaths**, **TT Rock Stars**, and **PurpleMash**.

Next week P.E. will be on Friday.
