

RECEPTION CLASS NEWSLETTER-Monday 8th December 2025

This half term's enquiry question: How do other people celebrate?

This week, the children will be continuing to practise their Nativity play. They will also be writing messages to Father Christmas and continuing to make their family Christmas cards. The children will also be making a big card for Reverend Chris. There will be daily maths meetings as the children deepen their understanding of the composition of the whole number 5 and the children will be recalling number pair facts for whole numbers 2, 3, 4 and 5. The children will also be creating a calendar. As usual there will be lots of child-initiated learning in and outdoors.3980
