

The Smartest Giants in Tankersley

9th December 2024

Dear Parents/Carers,

Over the next couple of weeks the children will be reading The Snowman story.

We will be ordering the events and describing the setting using interesting vocabulary.

In Maths, the children will looking at addition and subtraction number stories using first, then and now. They will also write number sentences to match the stories.

In history, we will be looking at how things changed in Victorian times. In ICT, we will be creating our own pictogram. In Design Technology we will design our Christmas cards by using a lever or slider. In RE, the children will look at how Christians celebrate Christmas.

We look forward to seeing you at our Christmas Nativity on either Thursday or Friday.

Mrs Beevor and Miss Bennison
