Year 3 - Snozzcumbers

Monday 5<sup>th</sup> January 2026

Dear parents/ carers,

Happy New Year! I hope you all had a lovely Christmas break.

This week in **English** we will start working with a poem called The Land of Blue. We will learn about adjectives, noun phrases, contractions, prepositions and the children will start planning their next independent piece of writing when they will write their own poem.

The spellings for this week are: **veil, natural, muscle, oxygen, country, guest**. The spelling test will be on Friday as usual.

**In Reciprocal Reading** we will read a poem. We will learn some new and interesting words and answer a range of comprehension questions linked to the Canine Pals.

Please remember to read at home with your child and sign their **reading journal**. These will be **checked every Monday during our reading for pleasure session**. The children can bring their own book or magazine for this session or they can choose one from our class library.

**In maths** we will continue with the unit about Multiplication and Division. The focus for this week will be the **11 times table** but please encourage your child to keep practicing all their times tables using TT Rockstars.

In science we will start our new topic about Rocks and Soils.

In history we will start our new topic about the Anglo-Saxons.

In RE we will start our new learning block about Christianity and will focus on the Creation story.

PE days are **Wednesday and Thursday**. The children will need to bring to school their PE kits on these days.

Homework this week will be on My Maths. It will be set on Thursday and needs to be completed by the following Monday.

Thank you for your support.

Mrs Cooper
