

RECEPTION CLASS NEWSLETTER-Monday 26th January 2026

This week the Shining Stars will be learning all about the Arctic; it's location, climate and it's Arctic animals. There will be small world Arctic play and a Polar Explorer role play area. The children will also be creating animal fact files to create a class booklet, so that their nursery friends can learn more too. In maths, the children will be deepening their understanding of the composition of 6 and then whole number 7. There will be lots of chatting as the children share their chatterboxes with each other. As usual, there will be rainbow provision learning and daily RWInc and handwriting sessions.

Please support your child at home with their letter and numeral formation as well as daily reading.

Sleep resources: If you need to, please take a look at the sleep resources by following the

****Please hand in wow moments or home learning photographs to any member of the EYFS team. Thank you. We really value your contribution to your child's learning journal.****

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website and X.****

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator).
