

'Guide me in your truth and teach me,  
for you are God my Saviour and my hope is in you all day long.'

Hello,

I was so impressed with how the children applied their writing skills to their setting descriptions last week. Here are a few to enjoy. You will see how our joined and correctly sized handwriting is coming along a treat.

### The Mesmerizing Forest

As the moon awoke from its slumber, a hidden place far away from Athens, is an enchanting place. The land of the fairies. It is ruled by an mighty, muscular king who is by the name Oberon (who has silty teal-blue hair) is married to the great warrior Titania (who has a leafy green mane and deep denim-blue wavy hair- can't be seen through the sunny summer breeze) and Puck (who is Oberon's servant) is the merry wanderer of the night.

As the moon gazed upon the forest, little exquisite fairies fluttered around the forest. Littered across the floor, amazing flowers painted in the deepest - purple - like when Oberon saw winged Cupid fire his arrows in to a milk white flower to purple in its wound of love - and the lightest pink painted flowers almost coming to life when it sway gently in the breeze, minute toadstools ran across the floor here and there.

\* I love your -- and ()

### The Forest of the Fairies

Deep into the forest, lies a peacefull civilisation of fairies. At the head of this magical community is King Oberon (who is also Puck's master). Queen Titania - who wears a beautiful silver crown - rules beside him.

During the night, the forest is illuminated by the pale moonlight and dazzling stars like a million diamonds in the sky and in the day time this civilisation is light up by the scorching hot sun.

If you quiet, you could sometimes hear: fluttering fairy wings, a spider spinning a web <sup>and</sup> & even the foot steps of the rulers of this magical community.

Could there possibly be a place more beautiful?

### The Land of the Fairies

Deep in the forest, just out of reach is the land of the fairies, with glittering bed soils, magical fairies and turquoise trees. If you ever get to have a stroll there and see the beautiful flowers (what smell gorges) you'll be in luck.

Beneath the dark sky, there's a King and queen of this land. Oberon - who is Puck's master - is the King. Titania (who is beautiful) is the queen. The fairies who live there mainly listen to Titania but Puck - also known as a hog goblin - listens to Oberon.

### The Enthralling Forest

As the lunar moon observed the earth, there was a forest so phenomenal that the Duke didn't rule all over the land of the exquisite, exceptional fairies. It's leader (Oberon) is the jealous King of the fairies. Proud Titania - who argued with him since spring - is the Queen.

Here and there, the magenta, ruby and fuchsia flowers danced the night away when the agreeable animals sing their song.

When all was dark, the emeralds glowed in the night like chartuse lights in the sky. The fluttering fairies and the singing owls; could any other forests be more enthralling?

In Maths, we will be learning how to multiply fractions by integers.

Coal Mining is our History topic and in RE will we are thinking about Creation and Fall. This week, we will be finding out about what life was like for children working in the mines and what the main message is in *Genesis 1-3*. In PE, we have a Basketball and Circuits focus, Science is Forces and in PSHE, we are learning how to manage anger.

Reminders for the Spring term-

**PE will be Monday and Friday.**

**Home learning will be set on a Thursday and handed in on the following Monday please.**

This week is My Maths- times tables and revisiting 2D and 3D shapes.

Home learning will alternate between reading comprehension and a Maths consolidation activity or My Maths (My Maths activities will focus on times tables, remembering previous learning or consolidation of Y5 knowledge). Please may I ask that you also encourage your child to read at home daily for pleasure or as often as possible and to remind them to fill in their reading dairy? I also recommend that spellings are practiced at home for a few minutes as often as possible from the spelling list in the folder and that times tables be practiced via TT Rockstars as often as possible too. Children need to have their reading book and reading diary with them in school every day please. Thank you for your support with this.

Don't forget to see what we are up to by following us on Twitter/X and our school website

Take care,  
Lorna Johnston
