

19th January 2026

Dear Parents/Carers,

The children have made an excellent start to the new term and we have been impressed with how hard they have been working.

This week in English the children will be changing the story of Pirate Tom and creating their own pirate story.

The children will include different sentence openers to their stories and use conjunctions such as and, to extend their sentences. We can't wait to read them! Children will be learning to add the -ed and -ing suffix to verbs.

In maths the children will be learning all about 2D and 3D shapes. They will also be recalling odd numbers.

In art we will create our own paintings using watercolour. In Science, the children will be exploring which materials are absorbent. In PSHE the children will be continuing their work on road safety.

Reading

Just a reminder that when you read with your child please could you complete their home reading record. Your child will then receive a reading token if they have read three times.

If you have any concerns please come and see us and we will be happy to help.

Mrs Beevor and Miss Bennison
