# Tankersley St. Peter's Primary School

## Dear Tankersley Community

I am delighted to share some remarkable news that showcases the incredible achievements and vibrant learning happening at Tankersley St Peter's Primary School.

Our sporting achievements continue to shine brightly. I am immensely proud to announce that our athletics team from Years 5 and 6 has not only won the Hoyland cluster qualifier but also emerged victorious at the Barnsley finals held at Trinity.

*Guide me in your truth and teach me, for you are God, my Saviour and my hope is in you all day long.*

We will now be representing Barnsley at the prestigious EIS event in March. As I write this, our momentum continues - our football team is en route to the Barnsley finals, and our Year 4 team is preparing for the basketball qualifiers. Our pupils are demonstrating extraordinary determination and skill across multiple sporting disciplines.

In the realm of curriculum and exploration, our pupils have been engaged in fascinating learning experiences. Year 4 transformed into archaeologists this week, channelling the spirit of Howard Carter as they carefully excavated Egyptian artefacts. Through meticulous investigation, they discussed how these historical treasures provide invaluable insights into Ancient Egyptian civilisation.

## Dates for your diary

**22.1.26 Athletics final**

**23.1.26 Football final**

**28.1.26 Heights and weights**

*Update*

Our younger pupils have been equally industrious. Year 1 has been developing their mathematical understanding by exploring 3D shapes, while Year 2 has been diving into history, learning about Florence Nightingale and developing their chronological understanding by placing significant events on their timeline.

## Rainy Weather

With the current rainy weather, I would like to remind parents to ensure pupils come to school prepared. Please provide your children with a waterproof coat and suitable shoes, as we believe in the importance of fresh air breaks and will continue to enjoy outdoor time, even during light drizzle.

## More news from the classroom

A particularly moving moment this week was our worship dedicated to Archbishop Desmond Tutu. Our Global Guardians shared profound insights into his life, illuminating his remarkable journey as a brave leader who championed love and justice. The session was beautifully complemented by our rendition of 'Siyahamba', the powerful South African freedom song..

**Hello all, this weekend I am looking forward to just chilling and watching the traitors final, I really do hope that Stephen does win, I just love how shocked he always looks. I am still cleaning up the mess from Ben's room. Rather interestingly Ben was caught leaving his Nan's house with a big bag of washing that she had washed, ironed and folded for him!!!**
