

Great Gorillas Newsletter

W/c 23rd February 2026

The new topic this half term is 'The Great Fire of London.

In Maths, we will be starting our new maths topic based on multiplication. This week we will be learning about equal groups.

Our English focus will be based on the story 'Funny bones', which is a story about skeletons. We will be looking at verb tenses. We will focus on learning the spelling rules for regular and irregular verbs.

In P.E, we will be learning about athletic activities. We will also be carrying out multi-skill bat and ball games. The children now need to come dressed in their PE kits on their PE days.

In History we will be learning about the main events of the fire of London and sequencing them on a time line.

In RE we will be talking about what we remember about Holy week. We will be thinking of questions that we would like to know to deepen our understanding.

In PSHE we will be learning about the importance of kindness and helping others.

In Science we will be completing our work about humans by finding out about healthy eating and the different food groups.

In DT we will be starting our new project. We will be carrying out research about Tudor houses.

Note

The multiplication table for this week's test is based on the 2x tables.

My Maths homework will be set from 27.02.26 – 13.03.26. The homework is based on mixed tables.

If you have any queries please don't hesitate to ask.

Many thanks

Mrs S Chadburn, Mrs Pitwell & Miss C Bennison

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalm 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
