$$5 \times 3 = 15$$

In Maths, we will be making and drawing arrays. We will then be matching multiplication sums to these arrays.

Our English focus will continue to be based on the story 'Funnybones'.

In P.E, we will be learning about athletic activities. We will also be carrying out multi-skill bat and ball games.

In History we will be learning about the lives of the people who lived in London in 1666.

In RE we will be learning about Palm Sunday.

In PSHE we will be continuing to learn about the importance of being kind and helpful to others.

In Science we discussing the properties of different materials and why certain objects are made of certain materials.

In DT we will be finding out about different Tudor houses.

## Note

The multiplication table for this week's test is based on the 2x tables and related division facts.

It is **World Book Day** on Thursday 5<sup>th</sup> March. The focus is based on building a better future. Therefore, we will be dressing up as futuristic characters, space people, aliens etc.

We will be reading the book 'What we'll build' by Oliver Jeffers. Our task will be to think about building a future Tankersley Primary School. We will have the opportunity to design a school of the future. In the morning we will also be attending a whole school parade where we will show off our costumes. Thank you in advance for your support with this!

If you have any queries please don't hesitate to ask.

Many thanks

Mrs S Chadburn, Mrs Pitwell & Miss C Bennison

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalm 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
