Year 3 - Snozzcumbers

Monday 2nd February 2026

Dear parents/ carers,

I hope you all had a lovely weekend.

This week in **English** we will continue working with the book Stone Girl, Bone Girl and gather skills for our next assessed piece of writing which will be a newspaper article.

The spellings for this week are: **actually, certain, experience, history, notice, probably.** The spelling test will be on Friday and the children will bring home the results for you to see how they've done.

In **Reciprocal Reading** we will read a story. We will learn some new and interesting words and answer a range of comprehension questions linked to the Canine Pals.

In **maths** we will continue with the topic about Length and Perimeter and will be learning about comparing, adding and subtracting length. Please encourage the children to measure different objects at home using rulers or tape measures.

We are also working hard learning our times tables and need to make sure that we master the 2,5,10,3,4 and 8 times tables by the end of Y3. Well done to all the children to have already achieved their bronze and silver badges.

In RE we will learn about the Parable of the Lost Son and forgiveness.

In science we will learn about different types of soil.

In history we will learn about the different gods the Anglo-Saxons worshipped and how they converted to Christianity.

In music we will start learning songs for our Easter play.

In PSHE we will learn about online safety.

PE days are Wednesday and Thursday. The children need to come to school in their PE kits on these days.

Homework this week will be on My Maths. It will be set on Thursday and needs to be completed by Monday.

If you haven't already done so, please organise payment for our upcoming trip to Castleton which will take place on Tuesday 17th March.

Mrs Cooper
