

# Nursery Newsletter

23rd February 2026

This week our focus is on having good manners. We will be listening to a story called, 'Please Mr Panda' by Steve Antony and thinking about how important it is to say 'please' and 'thank you.' Our activities will be linked to this story about Mr Panda giving away doughnuts, but not everyone gets one. Can you guess why not? We will also listen to other appropriate books about having good manners.

Please put a name label on your child's water bottle. There are many similar bottles and it would be really useful if your child could identify their bottle by recognising their name.

Thank you!

Mrs. Terrell
