

Great Gorillas Newsletter

W/c 9th March 2026

In Maths, we will be making equal groups by sharing.

In English we will be writing our own Funnybones stories.

In P.E, we will be learning about athletic activities. We will also be carrying out multi-skill bat and ball games. The children now need to come dressed in their PE kits on their PE days.

In History we will be learning about the main events of the Fire of London.

In RE we will be learning why the bread and wine in the Last Supper are so important.

In PSHE we will continue to learn about kindness and helping others.

In Science we will be investigating the suitability of different materials for a purpose.

In DT we will be designing our own Tudor houses. As part of this project children will be making houses using boxes. Please could each child bring a small, named cereal (or similar) box by Friday 20th March.

Note

The multiplication table for this week is the 2x table and the related division facts.

My Maths homework will be set from 13.03.26 – 27.03.26. The homework is based on sharing.

If you have any queries please don't hesitate to ask.

Many thanks

Mrs S Chadburn, Mrs Pitwell & Miss C Bennison

Jo has 12 apples.

She shares them equally into 2 boxes.

a) Show how Jo shares the apples equally.

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalms 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
