

Great Gorillas Newsletter

W/c 23rd March 2026

Dividing by 5

$$5 \div 5 = 1$$

$$10 \div 5 = 2$$

$$15 \div 5 = 3$$

This week we will be carrying out assessments.

In Maths we will be learning how to divide by 5 and 10.

In P.E, we will be learning about athletic activities. We will also be carrying out multi-skill bat and ball games.

In Science will be finding out about how different materials can be changed in different ways.

In DT we will be evaluating our Tudor houses.

Note

The multiplication table for this week's test is based on the 2x tables.

Please remember to order your child's meal before the deadline of 8 am each day.

We will be watching the Easter Play dress rehearsal on Monday afternoon.

On Wednesday morning we will be walking to church. Parents are more than welcome to help us.

If you have any queries please don't hesitate to ask.

Have a lovely Easter break.

Many thanks

Mrs S Chadburn, Mrs Pitwell & Miss C Bennison

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." *Psalm 25 v5*

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
