

RECEPTION CLASS NEWSLETTER-Monday 23rd March 2026

This week the children will be composing and decomposing shapes, exploring the parts of whole shapes and continuing their learning about ordering numbers and number tracks. The children will also be continuing their mini-beast hunts and drawing/labelling mini-beasts, followed by information writing for the class non-fiction mini beast book. The children will be continuing to observe changes to their class caterpillars, as they learn more about the butterfly lifecycle. The Shining Stars will also be creating a lit-up beanstalk for Jack (from Jack and the beanstalk) to climb at night time, as part of their Design Technology project. There will be an outdoor Easter egg hunt as well as the Church visit. As usual, there will be Rainbow provision jobs and lots of child-initiated learning both in and outdoors.

Church Visit-Thursday 26th March pm

If you would like to walk down to church, attend the Easter service then walk back to school with the Shining Stars, please wait on the pavement near the main school office/entrance where the children will be leaving school at 1pm after registration. Thank you.

****Please hand in wow moments or home learning photographs to any member of the EYFS team. Thank you. We really value your contribution to your child's learning journal.****

****Remember to take a look at the 'Shining Stars' Reception class blog on the school website and posts on X****

Thank you for your continued support. If you have any questions, please do not hesitate to come to speak with myself or any member of the EYFS team.

Have a wonderful Easter break!

Mrs Hartley (Reception Class Teacher and EYFS Co-ordinator)
