Hello,

This half-term, we are using the novel 'Street Child' by Berlie Doherty as a stim for our English learning. We will be learning how to use hyphens to avoid ambiguity, how to use a dash to separate 2 main clauses, how to use brackets, dashes and commas for parenthesis and we will be applying our writing skills to improve a simple sentence.

In Maths, we are learning about fractions, decimals and percentages.

Energy is our Geography topic and in RE will we are thinking about Salvation. This week, we will be finding out where power comes from and thinking about the last 24 hours of Jesus's life. In PE, we have a Tennis and Netball focus, Science is Space and in PSHE, we are learning about image sharing.

Reminders-

PE will be Monday and Friday.

Home learning will be set on a Thursday and handed in on the following Monday please.

This week is My Maths.

Here we are exploring 3D shapes.

Don't forget to see what we are up to by following us on Twitter/X and our school website.
Take care, Lorna Johnston
