

Nursery Newsletter 2nd March 2026

Our enquiry question this half term is 'What happens in spring?' This week we will be finding out about the season of spring by using books and our computer.

In the creative area we will be making spring art work using spring colours.

Our handwriting and letter formation workshop is on Wednesday at 3.45pm. Please come along to find out more about supporting your child's writing at home. (See separate email for more details)

It is 'World Book Day' on Thursday. The Hungry Caterpillars and all the other children in school are all going to listen to a special book called 'What We'll Build' by Oliver Jeffers and participate in creative activities. We are also dressing up as 'people who help us' and taking part in a whole school parade. Please see the separate letter to find out more details.

We would like to say a big thank you for your 50p contributions to the 'piggy bank' each week. This enables us to buy ingredients towards making our own play dough and to purchase resources, such as seeds and compost for planting, to support your child's learning in Nursery.

Many thanks,

Mrs Terrell
