

Great Gorillas Newsletter

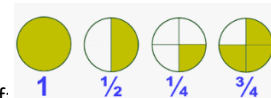

W/c 27th April 2026

This week we will be continuing our Goldilocks Project. This week we will be comparing Lauren Child's version of the traditional tale with another version called 'Me and You' written by Anthony Browne.

In our maths lessons we will start a new topic about fractions. We will start by learning how to recognise equal and unequal parts. We will then move on to finding a half.

In P.E we will be continuing our work in gymnastics and multi-skills.

In PSHE we will be thinking about the consequences of making a hoax call.

Do you know the name of the river that flows through London? We are going to be making a fraction of names.

In our science lesson children will be learning about the life cycle of a butterfly. In art we will learning to join materials to create a 3d structure.

In Music we will be continuing our Fire of London songs.

In RE we will continue to learn about the Jewish place of worship and make models of artefacts that you would find inside a synagogue. We'll be getting creative, using playdough!

Note

My Maths homework is et 01.05.26 – 15.05.26. The homework is based on introducing fractions.

Please remember to order your child's meal before the deadline of 8 am each day.

If you have any queries, please don't hesitate to contact us.

Many thanks

Mrs S. Chadburn, Mrs S Pitwell & Miss C Bennison

"Guide me in your truth and teach me, for you are God my Saviour and my hope is in you all day long." Psalm 25 v5

Our vision is to:

- Love our learning.
- Know that God is with us, loves us and has a plan for us.
- Make the world a better place.
